## GLENDALE YOUTH IN 21,000 MILE TRIP FOR UNCLE SAM

Henry L. Anderson, Soldier,  
Tells of Some of His  
Many Experiences

Twenty-one thousand miles of traveling at the expense of Uncle Sam is the record of Henry L. Anderson, son of F. W. Anderson, and brother of Howard L. Anderson, 109 1/2 South Brand boulevard, who arrived in Glendale yesterday on a two months' furlough from barracks at Honolulu.

Home "sure looks good" to Mr. Anderson. In his army uniform he is visiting his friends in the vicinity and regaling them with tales of his experiences in the Orient. He is glad that he had them but, somehow or other, since he has gotten back to real civilization he admits that he hasn't much "hankering" to cross the Pacific again. Glendale looks "plenty good enough" for him right now—and then some.

Two years ago in October Mr. Anderson said good-bye to this city. He is certainly surprised at the many changes which have taken place during his absence.

On his way to Siberia, Mr. Anderson stopped at Nacassak. Altogether, he visited Japan four times.

Seventy degrees below zero was the temperature when he arrived in Vladivostok. The harbor was frozen solidly and the transport was unable to approach within two miles of the dock. The "liberty party" walked ashore.

When it comes to pleasure excursions, Mr. Anderson has one in mind which probably will always remain in his memory. It was over the famous line of the railroad. That is, it is "famous" for its bad service. Mr. (Continued on Page 2)

## Halloween Dancing Party Is Given at W. E. Evans' Home

Mr. and Mrs. W. E. Evans of 333 North Orange street and Mrs. John Robert White of 347 North Orange street entertained at a Halloween dancing party last night in honor of Miss Lucy Strother, Miss Marguerite Eckles, Miss Virginia Huntley and Miss Betty Peck. The guests assembled at the Evans home and then went to the White residence for dancing. Between the two places electric lights had been strung and were covered with jack-o-lanterns. Both homes were decorated with Halloween motifs. Music for dancing was furnished by Kenneth Whaley.

The refreshment table, which was decorated with yellow chrysanthemums and pumpkins, was presided over by Mrs. R. L. McCourt. When refreshments were served all lights except yellow candles were extinguished.

The guests, besides the four guests of honor, included Miss Kathleen Campbell, Miss Doris Packer, Miss Ethel Gibson, Miss Mildred Stanford, Miss Evelyn Gregg, Miss Billy Gregg, Miss Helen Thompson, Miss Virginia Eastman, Robert White, Billy Gibson, Bill Goertz, Robert McCourt, Waldo Cowan, Maynard Toll, Gerald Toll, Johnny Richardson, Waldo Yard, Paul Hutchinson, David Fols, Carroll Packer, Mr. and Mrs. Robert McCourt, Mr. and Mrs. John Robert White and Mr. and Mrs. W. ## Hold First Wedding in Catholic Church; Miss McQuiggan Bride

The first wedding to take place in the new Holy Family Catholic church was held yesterday afternoon at 4 o'clock, Rev. James O'Neill officiating, at which time Miss Marie McQuiggan became the bride of Paul Kilroy.

Just before the wedding ceremony Miss Dorothea Vogel sang, "Oh Promise Me," accompanied at the organ by Mrs. Smith, who also played the wedding march. The bride was attired in white silk crepe de chine, beaded, and wore a wedding veil caught with a wreath of orange blossoms. She carried a shower bouquet of white roses. Stella Smith acted as bridesmaid. She wore blue organdy, with hat to match, and carried a bouquet of Cecil Brunner roses.

Mr. Monaghan acted as best man. After the wedding ceremony Mrs. Smith accompanied Miss Vogel, who sang "Until." The ring ceremony was used. A wedding dinner, including a large bridal cake, was served at the home of the bridegroom's parents in Los Angeles. Their home was beautifully decorated in pink and white flowers. Dancing and music were enjoyed after the dinner.

Mrs. Kilroy has been a resident of Glendale for about a year, coming here from Philadelphia. Mr. Kilroy is connected with the American Railway Express company. They will make their home in Glendale.

Mrs. Kilroy has been the honored guest at several showers and social affairs given since the announcement of her engagement and has received many beautiful and useful wedding gifts.

## Progressive Party to Honor Halloween Given for Friends

At one of the most charming affairs given by the members of the younger set this season, the Misses Winifred Parker, Marie Grey and Lucille Allen were joint hostesses Monday night to a large number of friends at a progressive Halloween party. The guests, in masquerade costumes, many of which were quite unique, were received at the home of Winifred Parker, 212 North Orange street, and enjoyed an hour of dancing in the spacious rooms, which were gay with Halloween decorations.

From there the merry party wended their way to the home of Lucille Allen, 354 Hawthorne street, and indulged in many lively games, and here the refreshments were enjoyed. The Allen home was also decorated with the season's colors.

Owing to the sudden illness of her mother, Marie Grey was deprived of the pleasure of entertaining the party for an hour in her home, as was first planned.

Those present were Catherine Guthrie, Emma Laura Cooper, Shirley Chase, Margaret Longley, Shirley Pawkes, Dorothy Houston, Cecil Chase, Evelyn Hunt, Careta Walker, Ruth Dana, Catherine Stofft, Sarah McClure, Agnes Thaxter, Winifred Parker, Lucille Allen, Marie Grey, Fred Hand, George and Robert Roach, Ralph Van Horbeck, Paul Starkey, Theodore Haig, Burton Kuntzmer, Robert Frazee, Leslie Hatch, Thomas Wood, Jr., Jack Wright, Ernest Pomeroy, Marlow Doss, Mrs. C. ## Viola McCoubrey Is Guest of Honor at Halloween Shower

Miss Viola McCoubrey was the guest of honor at a boudoir shower given last night at the home of her mother, Mrs. James O'Neill Farrell, 1831 Gardena avenue. Miss McCoubrey is to be married early in December to Stephen H. Baird of Memphis, Tenn. There were over thirty-five guests present at the shower and Halloween party last night. The gifts were all put in a large umbrella and were opened by the guest of honor at 9 o'clock. Games, cards and dancing were enjoyed during the evening, at the close of which refreshments of sandwiches, coffee, cake, etc., were served.

## Construction Work Under Way On Stores And Apartment Building Being Erected On N. Brand For Philip W. Parker

Philip W. Parker's store and apartment building which is being erected on the west side of North Brand boulevard, between California and Wilson. The building was designed by Harold D. Charlton and is being constructed by the Rommel Construction company. It will be ready for occupancy about the first of the year.

Philip W. Parker's store and apartment, designed by Architect Harold D. Charlton, 113 East Broadway, and being erected on the west side of North Brand boulevard between California and Wilson avenues, will be finished and ready for occupancy the first week of the new year, announces H. E. Rommel of the Rommel Construction company, 131 South Brand boulevard.

The two-story building, which will adjoin the Lawson building on the north, will be 50 by 60 feet, with three store rooms on the first floor, two of which will be 14 by 60 feet, the other 19 by 60 feet, and four apartments of three rooms each on the second floor. The street front will be of dark red tapestry brick with insertions of Batchelder tile, the latter also being used under the show windows. The roof facing the street will be of dark green glazed tile. Two of the store rooms are so arranged that they may be converted into one, should there be need of a larger room.

Hardwood floors throughout, tiled sinks, plenty of ventilation, and kitchen and bathroom floors covered with battleship linoleum are some of the modern features of the apartments. Marshall and Stern disappearing beds will be installed.

This is the third building plan which Mr. Charlton has furnished for Mr. Parker within the last eighteen months, besides designing Mr. Parker's home at 518 North Central avenue.

## Cornwell & Kely Announce Winners in Pumpkin Contest

Ninety-eight and three quarter pounds was found to be the weight of the "hefty" pumpkin in the window of the Cornwell & Kely Hardware store, 107 South Brand boulevard, when it was weighed early last night at the close of the tenth annual guessing contest, which has been in progress there for a fortnight. Genevieve Luc, daughter of Louis Luc, 255 South Glendale avenue, received the tennis racket; Ralph Eckles, son of Dr. J. E. Eckles, 328 North Orange street, gets the nine millimeter shotgun and the casserole was won by W. R. Ungeheuer, 420 West Lexington. There were more than 900 guesses submitted.

## L. H. Hurtt Block on East Broadway Sold for \$25,000

The L. H. Hurtt business block at 612 East Broadway has been sold to P. J. Hayselden of Los Angeles, the sale being made by the real estate firm of Mrs. M. L. Tight, 612 East Broadway. Mrs. Tight announces the sale was made to settle the estate of Mr. Hurtt, the consideration being \$25,000.

The Hurtt building is now occupied on the first floor by Mrs. Tight's office, the Glendale Transfer & Storage company and the Penner-Doll Auto Electric company and on the second floor are located the rooms of the Glendale Post of the American Legion.

## WOMAN HURT IN A CRASH

Two Fords collided at the intersection of Milford street and Central avenue at 11 o'clock this morning and as a result Mrs. Ella Baldwin, 1517 South San Fernando Road, was taken to a local hospital with a severe cut across her right arm which was bleeding profusely. A. L. Fryer, 424 Riverdale Drive, was driving south on Central avenue. C. Danforth with Mrs. Baldwin as a passenger in the back of the converted sedan was coming north of Central avenue and turning west into Milford. The front of Mr. Fryer's machine smashed into the right side of Mr. Danforth's car and Mrs. Baldwin was injured by the glass enclosing the car which was shattered and hurled in all directions.

Mr. Charlton, whose family for several generations have been architects, has been engaged in the architectural business for the past eleven years, he states, and while in service with Headquarters Company of the One Hundred Sixtieth Infantry, attended the architectural university at Beaune, Cote D'Or, France, the course, says Mr. Charlton, being one of the best offered by the A. E. F. schools. Mr. Charlton was also assigned to division headquarters doing work on special maps while with the A. E. F. His decision to remain and attend the school at Beaune was made with much effort as his company was at Brest, France then, the most thickly populated of the union. Tens of millions are watching California and planning on the day when they will be able to come here to live. And to think that Glendale has only started to grow; it is most optimistic and should make everyone happy.

H. E. Rommel of the Rommel Construction company which has the contract for erecting the building for Mr. Parker, says that work will be hurried along as fast as possible. "You will see that building go up with the same rapidity that has marked our construction work right along," he said, "and some time between the first of next January and the fifteenth the structure will be complete and ready for occupancy. Glendale is growing and we are trying to help it grow as fast as we can."

Mr. Parker is one of the most enthusiastic of Glendale builders and believes that the city has only started to grow. He said: "I am 78 years old and I feel as young as a boy and am as enthused over Glendale and its future as any young man. I believe Glendale has just started to grow and my advice to any young man is to invest in

property here. Sixty-one years ago I watched Chicago start to grow. That was in the days when there were board sidewalks and no paved streets in Chicago. Thirty-seven years ago I came to Los Angeles, when its population was only 13,000, and I have watched it grow.

"I purchased a ranch in Eagle Rock at \$28 per acre and the property is selling for \$2,000 per lot on the boulevard, and from \$1,200 to \$1,400 for inside lots. The time to buy in Glendale is now, and the young people should invest.

"The eyes of all the United States are turned towards California and we shall soon see this state one of the most thickly populated of the union. Tens of millions are watching California and planning on the day when they will be able to come here to live. And to think that Glendale has only started to grow; it is most optimistic and should make everyone happy."

H. E. Rommel of the Rommel Construction company which has the contract for erecting the building for Mr. Parker, says that work will be hurried along as fast as possible.

"You will see that building go up with the same rapidity that has marked our construction work right along," he said, "and some time between the first of next January and the fifteenth the structure will be complete and ready for occupancy. Glendale is growing and we are trying to help it grow as fast as we can."

### DEFENSE OFFERS INSANITY PLEA FOR ARTHUR BURCH

LOS ANGELES, Nov. 1.—Springing the first surprise of the trial almost before it was under way, attorneys representing the defense today offered a plea of insanity at the opening of the trial here today of Arthur C. Burch, charged with Mrs. Madalynne Obenchain, with the murder of J. Belton Kennedy. As Superior Judge Sidney Reeves ascended his bench and the crowded court room was called to order, Paul W. Schenck, chief of defense counsel stepped forward declared Burch to be insane and requested he be tried for his sanity before going to trial on the murder charge. The defense urged that a jury be drawn to determine the sanity of Burch or that the court appoint a commission to make an investigation and report. District Attorney Woolwine asked for an adjournment of court until 2 p. m. This was granted.

## 'Kid' Party Given by Mrs. Eva Hutton to Number Friends

Mrs. Eva Hutton of 326 East Colorado street was hostess at her home yesterday afternoon at one of the most novel and entertaining social events of the season. The affair, which was given in the form of an old-fashioned Halloween "kid party" was enjoyed by the combined memberships of the Ladies Aid society and Loyal Women's Sunday school class of the First Christian church. Mrs. Hutton is secretary of the former named organization.

About thirty women were present when an official card was placed in the spookily darkened assembly room, each one of whom was gayly attired in appropriately masked costumes which were fitting for the occasion. The many vari-colored frocks presented a most striking array of color, which artistically blended with the usual Halloween combination of orange and black. The rooms were cleverly and originally adorned with realistic representations of cats, bats, witches and other weird omens.

According to the stipulation made by Mrs. Hutton to all of her guests, each woman was required to perform an original stunt which would fit in with the Halloween spirit. As a result the party resembled a wild animal show rather than a social gathering.

Following the completion of the stunts the ladies were served courses of doughnuts and chocolates, according to the spirit of the day.

## Mrs. F. L. Bates and Daughter Hostesses at Halloween Party

Mrs. F. L. Bates and her daughter, Miss Flora Bates, of 638 North Kenwood street, entertained a small group of friends and neighbors at a delightful Halloween party on last Saturday night. The house was prettily decorated in the usual "spooky" manner, with witches, hobgoblins, etc., occupying prominent places on the walls throughout the house.

The evening was enjoyed in games and music, a program of the latter being given by several of the guests.

Previous to the party the merry-makers gathered at the home of Mr. and Mrs. Arthur Weidlich of 824 North Kenwood street, where they enjoyed a four-course dinner. Following this they embarked in automobiles on a "mysterious ride," the termination of which carried them to Mrs. Bates' residence.

Those who took part in the gay affair were Mr. and Mrs. Will Sawyer and family, Mr. and Mrs. Arthur Weidlich and family, Mrs. H. Nussbaum, Mrs. F. L. Bates and Miss Flora Bates.

Norton, the son who was missing from the celebration, sent his mother a telegram of felicitations and congratulations. He is visiting on a business trip in Portland, Oregon.

A special feature of the artistic decorations, which beautified the home for the enjoyable occasion was the enormous basket of American Beauty roses which was placed in the center of the large dining table.

Those who took part in the reunion were Mr. and Mrs. Cecil Norton, Mr. and Mrs. Ernest Norton, Will Norton, Mrs. Jessie Norton, Robert Norton, Marjorie Norton, Mr. and Mrs. Eugene Hamner, Mrs. Alma Hilliard and Phyllis Hilliard, of Los Angeles; Mr. and Mrs. F. W. Anderson and Misses Helen and Hazel Anderson of Glendale, and Mr. and Mrs. Lester Jones of this city.

Viereck gave a vocal selection, accompanied at the piano by Mrs. C. H. Pendleton. ## ART CONCERN SEEKS C. OF C. SUPPORT TO LOCATE HERE

Industry Employs 15 Artists  
and Is Reported to Have  
\$140,000 in Orders

Consideration of an industrial enterprise—the Tull Art Corporation—was the principal business before the Chamber of Commerce directors at their meeting this afternoon. The concern is now located in Los Angeles, employs fifteen artists, and is said to have \$140,000 in orders for oil poster and sign printing. They are limited by lack of a factory and come here seeking the necessary support for expansion three times greater than present income will permit.

The directors were invited to see an exhibit of the Tull process work at 133 South Brand boulevard and they were greatly impressed by its possibilities. The subject was turned over to the industrial committee for report.

## For Flood Protection

Among communications received by the board was one from W. E. Hewitt, who was present in person with G. B. Woodberry, asking for greater flood protection along Verdugo wash. A special committee was appointed to investigate.

Attorney W. E. Evans wrote a letter in reply to the resolution of thanks extended him and others for obtaining the independent postoffice for Glendale. He stated great credit was due the Chamber and its secretary for aiding Congressman W. F. Lineberger in the fight.

## Soft Soap Feature of Halloween Here; Little Damage Done

Spooks returned to their graves at dawn this morning in disgust—deciding that Glendale was much too live a town for dead ones.

Kids and masqueraders had a jolly time last night, but it was mostly harmless indoor fun at numerous parties and apple bobbing contests.

However, this is clean-up day for the window cleaning brigade. It has been calculated that if all the soap marks on local windows had been made into a single thread of soap, it could connect Glendale and Los Angeles in an inseparable bond.

One youngster was detected in the act of buying dye, red dye, yesterday afternoon but so far nothing has been heard further. But catsup was spread on A. J. Lucas' real estate office at Colorado and Brand boulevards.

## Bible Class Is Host to J. O. C. Class Members

The members of the Young Men's Bible class of the First Methodist church were hosts at a Halloween party given in the social hall of the church last night to the members of the J. O. C. class of that church. The committee in charge of arrangements included Frank Matthesen, Sam Warren, Charles Hezmalchal and A. Faulkner. There were about 115 guests present.

The guests, as requested by invitation, came masked. One of the features of the evening which created a great deal of merriment was a ghost walk and a "Who Is Who?" It was indeed difficult to tell who was because a number of women came dressed as men and a number of the men came dressed as women.

Refreshments of pumpkin pie, doughnuts and coffee were distributed cafeteria style during the grand march. Decorations were in yellow and black, the lights being shaded with yellow crepe paper. Pumpkins and corn stalks were also very much in evidence.

## CROWDS AFAR AWAY TO HEAR HARDING ARMISTICE DAY

Cities of New York, Chicago and San Francisco to Get Message on Phone Wire

When, on the stroke of twelve, 9 a. m. Pacific coast, on Armistice day, November 11, President Harding begins his funeral oration over the body of "an unknown soldier" in the national cemetery at Arlington, Va., his voice will be heard by hushed multitudes in New York, Chicago and San Francisco, as well as by the thousands gathered in and around the busy Arlington amphitheatre.

Every prayer and address uttered on that solemn occasion will be transmitted to these distant cities by long distance telephone wires, and then, by means of loud speakers, carried to the ears of the reverent throngs that will have gathered to pay homage to America's illustrious dead.

The ceremonies at Arlington will be in charge of the United States army. The co-ordinated ceremonies at noon in Madison Square Garden, New York, at 11 o'clock in Medinah Temple, Chicago and at 9 o'clock in the Civic Auditorium, San Francisco, will be conducted by the American legion posts of these cities.

As soon as President Thayer's offer to President Harding of the Bell system's transcontinental circuits and loud speakers' apparatus was accepted, the Bell system's transcontinental Telephone & Telegraph company undertook the extraordinarily difficult task involved in the plan to bring, in effect, these distant audiences to the Arlington ceremonies. No other cities could be included because the methods of achieving such an epoch-making result have only just been perfected, and the complicated apparatus required could not be manufactured in necessary quantities.

The undertaking is a gigantic one, involving countless difficulties of installation and operation, but the splendid results already attained give every assurance of success. One of the tests early in October, made Colonel Carly and his assistants feel sure that they could rely on the facilities they were providing. A speaker on the roof of the Brush Street Exchange in San Francisco, spoke into a special transmitter, three feet distant, that was connected by suitable apparatus with a transcontinental circuit that extended to Olympic Park, Newark, where loud speaking apparatus was installed. His remarks were heard distinctly and with ample volume by Bell engineers and others standing more than 1000 feet from the projectors.

Engineers confident of other remarkable tests of a similar character have been made, and have fortified the confidence of the Bell system in the performance of the Bell apparatus on Armistice Day.

The simultaneous transmission of the historic words that will be spoken on November 11 will mark the beginning of another epoch in the development of communication. No such impressive demonstration of the telephone's potentialities has ever been attempted. The event will not only add immeasurably to the solemnity and national significance of the ceremonies at Arlington but will call the world's attention anew to a triumph of Bell engineers in speeding the spoken word.

The Bell loud speaker is a fundamental contribution to human effort, whereby a speaker's voice, or the sound of music can, at the very moment of delivery, reach distant audiences in number and size heretofore never dreamed of.

Change in Oratory  
Colonel Carly, who is head of the Bell system department of development and research, which has developed the apparatus and brought it to its present high state of perfection, was recently asked by an interviewer what he considered the most important feature of the loud speaker development.

"The change that it is bound to create in the art of oratory," he said, in reply. "Heretofore orators have been chosen largely for their loud voices, their capacity to reach the ears of those at the back of the hall. We will make it possible for any ordinary man with common sense, possessing the average speaking voice, to get his thoughts into the minds of as many auditors as he may want to reach."

Effective addresses by our plan can be made by men speaking no louder than a chairman does when he reports to his board of directors, or when a teacher speaks to his students in the classroom.

SUGGESTS CLUSTER LIGHTS  
Why shouldn't the business district of Southern Glendale be illuminated with cluster lights the same as Brand boulevard? That's what T. B. Reavis of 1530 South San Fernando road wants to know, and what's more he says that he is going to take the matter up with the business men of his neighborhood and see if they can't be induced to contribute to a system of street lighting.

"There is more business going on here every day," said Mr. Reavis. "Saturday night was quite lively around here. There certainly should be some lights."

CARD PARTY IS ENJOYED  
A card party was held at 1335 South San Fernando road Saturday night when Mr. and Mrs. E. E. Anderson and Mr. and Mrs. A. Valet had as their guests Mr. and Mrs. Fred Archer, 1335 South San Fernando road, Mr. and Mrs. Louis L. Baker, 1413 South San Fernando road, Mr. and Mrs. Will Hickel, Monrovia, and Mr. and Mrs. George A. Marek, 207 East of field avenue. Whist prizes were won by Mrs. Marek and Fred Archer. At the end of the game supper was served.

## COMMENT THAT'S ALL

Southern Glendale Ahead!  
Funds for Improvements  
It Peeved the Printer  
Hear That Minstrel Band

By Gil A. Cowan

READERS of this newspaper will do well to observe the activities of Southern Glendale and profit thereby. That section of the city was formerly Tropic, a separate municipality, which had and still has excellent reasons for being a community center of consequence.

As larger towns in the east are located at the junction of principal rail lines, the community centers of Southern California will lie near the junction of principal highways. That is the underlying reason for a successful Southern Glendale business district.

From Brand boulevard and San Fernando road north on Brand the possibilities for development are limited only by the number of lots. There are lots of lots, but the best ones will soon be built upon by wise investors who look to the future for profits.

Besides business blocks the southern part of the city needs more homes; afternoons of lights for San Fernando road; the paving or improvement of several streets and crystallized community spirit.

Southern Glendale has some very fine people who are good boosters and they are gradually getting the residents together on the subject of improvements and the whole community is going to benefit.

This afternoon City Manager W. H. Reeves is speaking before the Tuesday afternoon club on the subject of city improvements. He is going to present the program necessary for the growth of the city, including street work, water mains and sewage system.

After going into detail as to the expense of these projects Mr. Reeves is going to let the ladies figure out how the work can be done on the revenue available to the city.

Burris Jenkins in the Kansas City Post writes: "Charles Harris of Fort Worth, Texas, a friend of Mr. Portubiners in the printing business, got slightly peeved at a letter from a doctor who wanted bids on several thousand letterheads of different sizes, different grades and different colors, and wanted the printing held standing. So Charles took his typewriter in hand and wrote:

"Am in the market for bids on one operation for appendicitis. One, two or five-inch incision—with or without ether—also with or without nurse. If appendix is found to be sound, want quotation to include putting same back and cancelling order. If removed, successful bidder is expected to hold incision open for about sixty days, as I expect to be in the market for an operation for gallstones at that time and want to save the extra cost of cutting."

The blare of the brass band once again thrills the small boy, for the minstrels are in town. They appear at the T. D. & L. this afternoon and evening, bringing back memories of the east and its itinerant show troupes.

Practically all of the population of Southern California comes from some part of the middle west or east. And each and everyone has enjoyed those minstrel shows that came by caravan or railroad car.

In their emblazoned uniforms with drum majors "never" anything the great parade passed by never to be forgotten. There is something about the music and the glamour of it all that gives a thrill all enjoy.

## QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts if Your Back Hurts or Bladder Troubles You

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull headache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a teaspoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Advertisement.

## GLENDALE YOUTH IN 21,000 MILE TRIP FOR UNCLE SAM

Henry L. Anderson, Soldier, Tells of Some of His Many Experiences

(Continued From Page 1). Anderson remarks that a small box car jammed to the "gunnals" is hardly comparable with a Pullman compartment.

The trip of 250 versts or about 220 miles, occupied two days and a night. Every few miles the wood burning locomotive had to pause while the firebox got heated again. Meanwhile, if another party with enough numbers seemed to want the engine, they just took it—and that was all there was to it.

Girls Fancy Americans  
There were 800 Americans at the compound in Spasskoe until March, 1920, and according to Mr. Anderson, they had a fairly good time "considering." They had little trouble with the natives and more with the Japanese soldiers and civilians. The girls, all of whom seemed to be extraordinarily big and strong, took quite a fancy to the American boys and insisted on accompanying some of them back to "The States" via the marriage route.

From the winter of Siberia to the summer of Manila was the experience of Mr. Anderson—and it was one that he is not likely to forget. He left Vladivostok in January, which, of course, is summer in the southern hemisphere. For about a month he was obliged to wear his woolen clothing until he could get a re-issue. Naturally, he "forgot" to wear his heavy sheep-skin overcoat and fur skull cap.

Visits China, Too  
Five cities in China were visited by Mr. Anderson on a trip from the Philippines. While at Tsien Tsien he witnessed a cold blooded execution which he said was a frequent occurrence. The Chinese don't believe in thievery according to Mr. Anderson and have a nasty habit of executing bank robbers and such. Honolulu doesn't stand very high in Mr. Anderson's estimation. He says that the beach at Waikiki is over advertised and considerable of a "fake." Any soldier who violates the prohibition act there is in disgrace with the commanding officer.

## Plenty of Hustle and Lots of Smiles in Church Campaign

"Hustle and Smile" is the motto of "The Bards" and "The Browns," today in the campaign to raise \$50,000 for the church building fund and to insure the erection of a magnificent new Gothic church edifice. They have accepted the advice that "The bee that gets the honey never lingers 'round the hive." They believe that "subscriptions are not secured by hypnotism or begging, but by tactful, business-like presentation of the absolute need for an enlarged church building to accommodate the growing congregation and Sunday school." They refuse to apologize for offering residents of Glendale the privilege of contributing to the cause.

## T. M. Huntington Is Greatly Surprised by City's Growth

Mr. and Mrs. T. M. Huntington of Seattle, Washington, are visiting at the home of Mr. Huntington's brother, Mr. and Mrs. H. D. Huntington, 115 1/2 South Brand boulevard. This is Mr. Huntington's first visit here since about three years ago and he expresses himself as much surprised at the growth of Glendale since that time, and is well impressed with the thrift of the city. Mr. and Mrs. Huntington for the past few years have spent the winters in San Diego, but like Glendale so well they have decided to remain here this winter.

Manuel Acosta, son of Jos Acosta, and brother of Ben Acosta, 344 West Colorado avenue, was a "buddie" of Mr. Anderson's in Siberia. He was left in Hawaii with a year more to serve—and trying hard to get a furlough.

## HARVEY MINSTRELS BEING FEATURED AT T. D. & L.

Entertainment Sure to Pack House Tonight; Chas. Ray Picture on Wednesday

Fascinating entertainment is "A Midnight Bell," which opens Wednesday at the T. D. & L. theatre, for a run of two days. Charles Ray stars in this First National attraction, and that fact alone is sufficient guarantee that the picture is worth seeing. Today Harvey's minstrels hold the boards, their entertainment being sure to pack the house tonight. Each succeeding Ray picture portrays him in a new type, and such is his versatility that he makes all of them living and breathing characters, true to life in all particulars. In "A Midnight Bell" he is a traveling salesman, young, enthusiastic and persevering. His attempts to sell rubber heels to a storekeeper who doesn't want them are highly amusing. Later, obtaining a position as clerk in the same store, he shows his proprietor how to make sales, using a judicious mixture of flattery, salesmanship and guile.

But the picture is not all comedy. There are some exciting episodes in which Ray battles a band of bank robbers in a haunted church. The most hardened athlete would not relish, performing the stunts that Ray does in these situations.

It is from the famous stage play of the same name by Charles Hoyt, and proved a happy choice.

## LEADERS AGREE ON PROGRAM TO END DELAY IN WORK

Important Legislation Will Be  
Quickly Acted Upon, Is  
Belief Expressed

Written for International News Service  
WASHINGTON, D. C., Nov. 1.—With the opening of the regular session of congress, December 5, but five weeks away, republican leaders of the senate agreed today upon a tentative program by which they hope to dispose of (1) tax legislation, (2) the anti-beer bill and (3) the railroad debt funding bill before the close of the present extra session.

No special effort is to be made by them, it was stated, to press for early passage of the modified foreign debt funding bill by which a commission appointed by the president would handle the \$11,000,000,000 foreign indebtedness to the United States. It will probably be permitted to go to the regular session, if for no other reason than the administration does not desire the senate to become involved in another controversy over the foreign indebtedness while the conference on armament limitation and far eastern questions is getting under way, and Washington is filled with official representatives of the European nations who owe this country billions of dollars.

**Those Foreign Loans**  
Senators also entertain the opinion that the foreign indebtedness will inevitably obtrude itself on the conference, despite any effort to keep it in the background which the administration may be contemplating, and that the status of the bill itself may be altered materially by developments at the conference.

When the senate resumed consideration of the compromise bill it was the purpose of republican leaders to press for a final vote upon it before the week ended. In view of the number of radical changes the senate already has made in the house bill, the prediction was made that the amended measure may be tied up in conference for two or three weeks before the senate and house reach an agreement on it, and it is sent to the president for his approval. Once the tax measure is committed to conference, the senate is expected to tackle again the long disputed conference report on the anti-beer bill. Republican leaders are planning a closure or restriction of debate to compel a final vote on the report, which the house has already adopted and thereby paved the way for early consideration of the railroad bill.

## Defeat of Harvard by Little Centre Causes Amazement

By JACK VIELOCK  
Written for International News Service  
NEW YORK, Nov. 1.—Football is moving right along. It has spread over each section of the country like a huge blanket and as the seasons come and go it grows in popularity. Harvard's defeat by Centre and the rise of Cornell were the outstanding features of last week's games. Harvard lost because the Crimson was away off color—had no real attack and consistent defense. Dartmouth's downfall at the hands of Cornell and the power the Ithacans have developed caused football critics to gasp in astonishment.

Cornell is now the leading team in the matter of running up scores. The Ithacans have scored a total of 289 points in five games. This week will see the start of the annual tri-cornered clash between members of the big three. Harvard will invade old Nassau to take on the Princeton Tigers, while Yale plays an easy practice game against Maryland. The following week will see Yale and Princeton come to grips at New Haven and on November 19 Yale will invade Cambridge to take on the Crimson in Harvard stadium. The Army has a stiff assignment Saturday against Notre Dame and Penn State will play a game that Coach Bezek considers dangerous, taking on Carnegie Tech at State college. Bezek's team, powerful and brilliant in its decisive victory over Georgia Tech last Saturday, is favored to beat Carnegie this week, but next week the Staters will have their hands full when they meet the Navy at Philadelphia. This game holds forth promise of being one of the best of the season.

## SPORTS CHATTER

By BILL UNMACK,  
PACIFIC SPORTS SERVICE

We are heart and soul with all movements which, properly directed, aim for the uplift and official control of professional boxing. The public of large cities has an idea that "politics" and "politicians" play a prominent part in boxing shows, and from the latest rulings from New York it looks as though there is a nigger in some wood pile somewhere.

We believe a boxing commission should protect both promoter and boxer, but when it comes to a question of the management of an individual boxer, if that boxer is capable of handling his own affairs, then we fail to see the justice of the New York Boxing commission—or any other commission—debaring a boxer from participating because he refuses to hamper himself with such a leech as a manager. Recently the New York Boxing commission debarred Robert Fitzsimmons, son of the former world champion Bob, because, according to press dispatches, young Fitzsimmons positively refused to have anyone handle his business affairs which he was quite capable of handling himself.

In a statement given out young Robert said: "My father warned me against managers and I promised to handle my own affairs when I went into the professional ring. I see no reason why I should change my decision now."

The average manager of a boxer is a parasite. He refuses to work and takes percentages of large proportions from the earnings of the boy he "manages." It is this boy who

gets the hammerings and who is the party the people pay their good money to see. Recently the New York Boxing commission announced a ruling regarding these parasites of managers which, in effect, is that managers are not allowed a higher percentage than 33 1-3 per cent.

We grant that some boxers need managers, and some managers are worth every bit of the percentage set by the New York commission, but there are others who are not worth it and should be eliminated altogether. We are with the N. Y. Commission on this manager percentage proposition, but we believe their attitude to the boxer who wants to manage his own affairs is, to say the least, "un-constitutional." We Americans are proud of our country and proud of the fact that it is a free country. It looks to us as though the New York Boxing commission is treading on the toes of the freedom of the country and its population when it prevents Fitzsimmons—or any other boxer, be he Jack Smith or Bill Brown, et al.—from earning his living in his own way because said boxer refuses to be hampered and annoyed with an encumbrance called a manager which is, in many cases, a sucking leech, good for nothing in a tangible way to his fellowmen and real business. There are, of course, exceptions, and many of them.

We are with Fitzsimmons, not because of his name, but for a principle of justice and fair play that his case stands for. He is the goat. What's back of it all?

## The WORLD OVER

By FRANKLIN B. MORSE,  
PACIFIC SPORTS SERVICE

NEW YORK, Nov. 1.—"Philadelphia Jack O'Brien," who needs no introduction to the followers of the squared ring, at present is engaged in restoring to fat ladies their youthful figures. Jack is the athletic instructor of a group of fifty women engaged in reducing exercises so as to compete for prizes at the Health Exposition here next month. The women are doing their training on the roof of Madison Square Garden and go at their work with great enthusiasm.

According to O'Brien, his pupils are losing flesh at a most encouraging rate and this has been confirmed by reports which Jack makes to the health department of this city. One case was that of a woman who had lost ten pounds in the first ten days of training. This woman weighed in at 208 pounds. Her delight when the scales registered only 198 pounds was unbounded. Another woman dropped from 180 pounds to 175 and a third from 211 to 205. Diet and regular exercise have taken from one to three inches off some waistlines.

Baseball may be the agency that will restore the perfect harmony between the United States and Mexico which all diplomatic efforts have failed in. Reports from the south of the Rio Grande are to the effect that the Mexicans have taken to our national pastime like ducks to water.

## Badger Squad Seems to Have Big Chance for Western Honors

By LUTHER A. HUSTON  
Written for International News Service  
CHICAGO, Nov. 1.—"Watch Wisconsin," was the slogan in Big Ten football circles today as the result of Saturday's games. And the rip-snorting Badgers will bear a lot of watching before the championship of the western intercollegiate conference is decided.

A most able outfit is the gang from Madison as it demonstrated when it gave Minnesota a 35 to 0 thrumping. The Badgers possess a line that is about as penetrable as the walls of Sing Sing and a backfield that knows all the tricks of the trade. In Sundt, Elliott, Gould and Williams, Wisconsin has four men back of the line that can smash the tackles, run the end, shoot and snare forward passes and boot the pigskin. Not much else is required of a backfield.

Wisconsin has two more big games to play. It will meet Michigan on November 12 at Madison and should win. On November 19 it will close the season with Chicago at Chicago. This game should be, unless intervening results shatter the hope, the outstanding battle of the conference season.

## James Hall Cannot Play League Games, Committee Decides

James Hall of Citrus High school at Azusa was declared a "fifth year" man and ineligible for league football recently at a committee meeting in the Los Angeles Y. M. C. A. of the California Interscholastic Federation.

Principal George U. Moyle said that the decision indicated that no preference would be shown to players on account of their prominence. Hall did not play in the game between Glendale and Citrus. Under the ruling the first two games, which were won by Citrus, must either be played over again or forfeited.

The meeting was attended by five principals: George U. Moyle, Glendale; Forrest Routt, Alhambra; A. R. Clifton, Monrovia; F. S. Hayden, Citrus; Charles B. Moore, Franklin.

and everywhere among the cactus there is a keen desire to learn the principles of the game.

The intention expressed by Ban Johnson, president of the American league, to explain to the Mexicans how the game is conducted in the United States and in other ways to encourage the growth of this sport can have nothing but the best effects. Johnson is figuring on going to Mexico during December on a hunting trip, and it is during this trip that he intends to do his baseball missionary work.

Not only people are interested in the game, but this interest extends to many in the Mexican official circles. Among the most ardent of the fans is the Mexican secretary of state. It is stated this official has so keen an appreciation of the game that he is anxious to extend its knowledge among his people.

There is a story told here of a certain member of a golf club who has a hobby of hunting and collecting lost golf balls. Evidently this has become a sort of mania with him. At any rate his fellow members seem to have come to the conclusion that he was carrying his enthusiasm a little too far. One day when the collector entered the club he was greeted by the following sign posted in a conspicuous place—"Lost balls must not be found until they have stopped rolling."

## Three California Teams to Contest for State's Title

SAN FRANCISCO, Nov. 1.—Defeat of the two strongest football elevens of Washington and Oregon Saturday by California teams assures that the football supremacy of the Pacific coast will remain in California again this year. Three teams will fight it out.

California, last year's champion coast elevens and rated by many experts as the best in the country, is in a fair way to repeating. Her victory over Washington State at Portland Saturday, in the opinion of many followers of the game, placed out of the running her chief contender.

However, the defeat by Stanford of the fighting Oregon Aggies places the Cardinals in the running as a contender. The big improvement shown by the Card elevens was not all "Stanford spirit," but an evidence of latent football ability in coach VanGent's squad.

Next Saturday University of California will take on the third California title contender—University of Southern California. The southerners, though having one of the best elevens in their history, do not figure to win, in the opinion of football men who have watched both elevens in action.

The following Saturday Stanford and California have more or less set-up—then the big game, Stanford vs. California—a week later.

## Gives Regulations for State Meeting of Shoe Pitchers

In preparing the program for the State Horseshoe Pitchers' tournament to be held on the high school grounds in Glendale November 25 and 26, W. H. Nicholes, 322 Fairview avenue, treasurer of the state association, announces the following regulations regarding the horseshoes will be in order:

Weight of shoes not to exceed two and one-half pounds, length not more than seven and one-half inches, by seven inches in width, outside measurement. The distance from peg to peg to be forty feet.

On the program, says Mr. Nicholes, will be fifty point walking games, four-men teams of one series each, three and five games of twenty-one points, and games of fifty to seventy-five shoes pitched for high ringer scores. Prizes will be given in each case to the players having won the most games or the greatest number of points or ringers.

Mr. Nicholes says that he is receiving a large number of inquiries daily and the indications are there will be large attendance. Registrations for entry in any of the events are being made with George E. Krimball, Long Beach, secretary of the State Horseshoe Pitchers' association.

## W. B. Kelly Tells of Athletic Events For Local Legion

W. B. Kelly of the realty firm of Kelly & Van Arsdol, 106 West Colorado street, who is in charge of the athletic program for the Armistice Day celebration staged by the American legion, announced that the program is now arranged for three boxing bouts and a thriller of a wrestling bout, the latter to be a grapple between John Hackenschmidt, 827 Salem street and H. Metzetti of Hollywood. The bouts will be staged in the big carnival tent the night of November 11, and Mr. Kelly says the boxing and wrestling fans will get a thrill from each event.

In the boxing bouts the following matches are announced by Mr. Kelly: Battling Essex, Glendale, vs. Paul Burke, Burbank; Ralph Myers, Glendale vs. Howard Kendig, Burbank; Battling Jack Moore, Los Angeles, vs. Johnny Myers, Glendale. The wrestling bout will be staged as the last number on the program, and as both Hackenschmidt and Metzetti are now doing strenuous training, Mr. Kelly says the event will be the big drawing card of the evening.

## BILLY WHISKERS IS BIG TRAVELER, SO CHILDREN HEAR

Miss Nellie Rowe Speaker at  
Story Hour Held at Branch  
City Library

By CHARLES H. CUSHING  
In Charge of Branch Library

The story hour at the branch library at Brand boulevard and Los Feliz road was conducted last Saturday by Miss Nellie Rowe from the main library. At that time the "Billy Whiskers" series of twenty-three books were released for circulation. These stories describe the remarkable adventures of a lively goat in his travels, at the circus, in the movies, in France and in many other situations. They are great favorites with the youngsters.

Beginning Saturday, November 5, the story hour will be conducted by Miss Helen Hartwig, the regular assistant at the branch library, from 3 to 3:30 p. m. There will be some new books released at that time every week. Next week the "Uncle Wiggly Bedtime Stories" will be the new feature. This set includes twelve volumes and tell of the adventures of Uncle Wiggly Longears, a nice old gentleman rabbit.

Other Juvenile Books

Other new juvenile books which have been added to the branch library are:

"Story of a Bad Boy," by Aldrich; "Indian Boyhood," by Eastman; and "Glinda of Oz," by Baum.

Among the books in the adult department there has been a substantial addition to the drama section: "Representative One Act Plays by American Authors," compiled by Maogra; "Seven Short Plays," by Lady Gregory; "Collection of Plays," by Susan Glaspell; "Moon of the Caribbees and Other Plays of the Sea," by O'Neill; "The Piper," by Josephine Peabody; "A Kiss for Cinderella," and "Quality Street," by Barrie; "Disraeli," by Parker; "Abraham Lincoln," by Drinkwater; "The Second Mrs. Tanganyika," and "Mid-Channel," by Pinero. Five plays by Dunsany.

Fiction and Non-Fiction

"Modern Democracies," in two volumes by James Bryce; "Modern Times and the Living Past" is an outline of universal history. Other non-fiction books are: "General Introduction to Psychoanalysis," by Freud, simply written for the lay reader; "Peace Negotiations," a personal narrative by Lansing; "Romance of the Colorado River," by Deffenbaugh; "Old Franciscan Missions of California," by James; "Where Rolls the Oregon," by Sharp; "The Next War," by Irwin; "Life and Letters of Dolly Madison," by Sharp. Among the fiction just added is a complete set of the "Craig Kennedy" detective stories by Reeve, consisting of sixteen volumes. Other books of fiction are: "The Forest," by White; "The Mysterious Rider," by Grey; "The Wreckers," by Stevenson and Osborne; "The Black Arrow," by Stevenson; "The Divine Fire" and "The Belfry," by May Sinclair; "The Crossing," by Churchill; "Valley of the Moon," by London; "Last of the Mohicans," by Cooper; "Red Badge of Courage," by Crane; "Partners of the Ride," by Lincoln; "Christopher," by Pryce; "History of Mr. Polly," by Wells; "The Prestons," by Versey; "Wilderness Road," by Altschuler; "Dorothy Vernon of Haddon Hall," by Major; "The Sisters-in-Law," by Atherton; "Barbed Alive," by Bennett; "The Great Modern American Stories," an Anthology, edited and compiled by Howells; "Rise of Silas Lapham," by Howells; "Peter Ibbotson," by DeMaurier.

### William Taubel Is Building Home With Help From Brother

William Taubel of the Vitagraph Studio is now spending a few weeks' leisure in building a four-room frame residence at 1612 South San Fernando Road. He is assisted by his brother-in-law, Fred Bomhoff. They recently moved to Southern Glendale from Hollywood and are staying temporarily at 1836 Gardena avenue. Mr. Taubel is considering the erection of a bungalow court upon the front of his property. He is waiting to see what kind of building his neighbors to the east proposes to erect.

By the way, Mr. Taubel is quite a booster for The Glendale News. Recently, he put an ad in advertising some Rhode Island chickens at 11 o'clock—and shortly after noon some person had seen it and bought them.

**THURSDAY CLUB MEETING**

Francis Reichenbach, 1517

### Tropico Church Is Progressing Well, Officials Declare

Services of the Tropico Presbyterian church, October 30, were conducted by Rev. J. G. Blue, of Pasadena, both morning and evening. Dr. Blue is moderator and supply for the time.

His morning theme was "God's Country," and he spoke of the very strong Christian character of many of the men at the head of the government and the courage that should be ours with such men directing the affairs of the country.

The evening theme was "Prayer" and he very forcefully set forth the power and efficacy of prayer when it is uttered from the heart of a believer.

The Sunday school is growing, with a good, live superintendent, H. E. Fry, assisted by a fine lot of teachers.

The C. E. has a fine lot of young men and women that are a wonderful uplift to the church, and are set to make things go at the Tropico Presbyterian church.

Mrs. Dr. Richardson, representing the W. C. T. U., made a brief address to the Sunday school, setting forth the fact that every loyal American boy and girl, as well as every man and woman, should help enforce the eighteenth amendment to the national constitution, as well as help stop the ravages of the cigarette.

### 'CURES STOMACH TROUBLE'

Another "specific" "Andy's pork and beans cures stomach trouble." Such is a sign in Andy Anderson's Airplane Lunch Stand, 1418 South San Fernando road. Mr. Anderson argues that when a person is hungry and is beginning to feel complaints from the "engine room," there is nothing like a plate of baked beans.

"I'm like the doctor who didn't know whether his medicine killed or cured because none of his patients ever came back," said Mr. Anderson, with a chuckle. "I'm not sure yet whether my beans kill or cure, but everyone who eats them seems to be satisfied and go away with a smile."

### WHY IT WOULDN'T RUN

C. L. Brenkman "runs" an electric fixture and toy store at 1510 South San Fernando road. He also "runs" his auto, sometimes. Early Saturday night he took the helm, and stepped on the gas. There was a terrible strain and then suddenly he heard something break and the car started. He became convinced that the auto was about to fall to pieces and hurried to the nearest garage. Diagnosis revealed the fact that some youngsters, names unknown, had fastened a front and rear wheel together with a length of rope.

### R. DANNER PICNIC GUEST

R. Danner, butcher at 1502 South San Fernando road, and family attended the semi-annual picnic at Echo Park, Los Angeles, Sunday of former residents of Crawford county. Kan. Mr. Danner has been a California booster now for the past fourteen years. He says that none of the folks at the picnic seemed to have much desire to return to the Cornflower state.

### BUSINESS IS INCREASING

J. H. Chapman, who has gone into the coffee and tea business with his brother, Harry Chapman, at 1528 South San Fernando road, says that they expect to "go out strong" for the restaurant business in Glendale and vicinity. They now have twelve routes, two of which are in Los Angeles.

### 'Baby Department Store' Being Opened by B. V. Brasher

A variety store is a "baby department store."

That's what B. V. Brasher, 1017 Melrose street, says, and he ought to know, because he is opening up the South Glendale Variety store, 1413 South San Fernando Road, Saturday, when he expects to have the notions, light hardware, candy, glassware, brushes and brooms, school supplies and stationery properly displayed.

For fourteen years Mr. Brasher was connected with the American Sales Book company and had headquarters at New Orleans. He is assisted in the new store by his father-in-law, Fred F. Fry, who arrived last June from Dallas, Texas.

B. V. Brasher was not content to settle in Glendale alone so he encouraged his brother, A. E. Brasher, to bring his wife and baby, Marie Francis. They arrived last Thursday and are now rooming at 336 North Geneva avenue.

### MOTOR TRIP IS PLANNED

Mrs. Ellen Gifford and her nephew, Fred, of Battle Creek, Mich., who are spending several months at 1421 South San Fernando road will motor to a ranch near San Diego tomorrow, accompanied by Mrs. Lorraine Burnett of Union City, Michigan, who is spending a few days in the vicinity, and will visit Fred Stafford and family who was a neighbor in the Wolverine state.

### FROM KANSAS AND IOWA

Where do all the people, who keep coming to Glendale, come from?

That is the question that is puzzling C. S. Jordan of the Glendale Sash & Door House, 1422 South San Fernando road. Mr. Jordan says he never saw anything like the building activities in the vicinity and that both he and his partner, M. M. Murry, are kept quite busy.

### GEORGE M. STULL IS BUSY

George M. Stull, who recently opened a second hand furniture store at 1420 South San Fernando road, went to Long Beach today to bring back some pieces of furniture from an auction house there with which he was formerly connected. Mr. Stull is getting his store stocked up slowly, but he has trouble from keeping folks in the neighborhood from buying it as soon as it is put on display.

### READ IT IN THE NEWS?

George Bentley of the Bentley-Schoeneman Lumber company, 460 West Los Feliz road, says that he is going to keep it a secret the next time he goes duck hunting because the ducks must have read The Glendale Evening News, found out his party was coming, and hid in the tall grass.

### IMPROVEMENT CLUB MEETS

The regular scheduled meeting of the Southern Glendale Improvement association will be held in the branch library building on Thursday night of this week. Stuart Street, who is president of the organization, will be in charge of the meeting.

## LAUGHS APLENTY ON VAUDEVILLE BILL, GLENDALE TODAY

Musical Comedy Stars Appear  
in New Vehicle; Musical  
Numbers, Light Chatter

One of the funniest and greatest laugh-provoking acts heads the new vaudeville show which plays at the Glendale Theatre today. Stanley and May Laurel, the well-known musical comedy stars, present their latest comedy vehicle, "No Mother to Guide Her," which was built for laughing purposes only. Art Uline offers a routine of character stories intermingled with some tuneful airs and melodies. Mahoney and Talbert, "A Few Laughs and Songs," are the exponents of a light musical comedy act, which should add materially to the quality of this bill.

The inimitable Clifford in songs and yodeling is the possessor of a personality, while Dunbar and Brayton, in their original nut comedy act round out the bill.

"The Matrimonial Web"  
The feature picture on today's program is "The Matrimonial Web." It was written by C. Graham Baker especially for Alice Calhoun. It is a story calculated to draw out the subtle points of the star's acting. It is intensely dramatic and very exacting on the part of the heroine. She must portray emotions that run the whole course of human activities—the society girl, the character of the underworld, tough and sophisticated and then the simple little country maid. There are very few actresses who are able to handle roles of this type and Miss Calhoun is one of the few. She develops a marked instinct which leads her on as she works and gives her an expression that is seldom seen upon the screen.

Film authorities have ventured the opinion that this star in combination with Edward Jose, one of the best known motion picture directors in the world, who was engaged to direct her in "The Matrimonial Web," will be an interesting one to watch.

as Mr. Jose is noted as knowing every trick of the stage and screen production and Alice Calhoun, who climbed the stellar heights in three years through her artistry and charm, responds to such direction with sensational results.

Tomorrow, Thursday and Friday will see "The Queen of Sheba" featured.

## Jack T. Millan of San Diego May Be Out for Treasurer

J. H. Searles, 465 Patterson avenue, states that Jack T. Millan, city treasurer of San Diego, is mentioned as a possible candidate for the office of state treasurer, and should Mr. Millan decide to be a candidate, Mr. Searles says headquarters will be opened in Glendale.

Members of the Republican state central committee and San Diego county Republican central committee, says Mr. Searles, have approached Mr. Millan on the subject and he has admitted that he is giving it serious thought. There is a solid backing in San Diego, claims Mr. Searles, that can be counted on and he believes the candidate would make a good race in any part of the state, asserting that his record as city treasurer of San Diego highly recommends him to the voters as being fitted for the office of state treasurer, which will be left vacant by F. W. Richardson.

The position of state treasurer, says Mr. Searles, is in line with the work Mr. Millan is now doing as city treasurer of San Diego. Mr. Millan was elected city treasurer more than two years ago and was re-elected at the last election, it being pointed out by Mr. Searles that there was no opposition and a big complimentary vote was given.

Mr. Millan is a member of the Republican state central committee, having served on that committee for two years, and is a member of the county central committee, having participated in the last presidential campaign.

## Hey, Boy! Page E. C. Ray; There's a Message for Him

E. C. Ray of Missouri, and who is staying in Glendale at present, has a radio message awaiting him. This message was received by Hubert Wood, 122 West Milford street, from James at Jefferson City, Missouri. These messages from amateur radio operators are relayed from one station to another gratis. Mr. Ray may secure the message by telephoning Glendale 394 and leaving his address.

Once upon a time there lived a man who said he would rather be right than to be president—so history says.

## Praise for Greater Sheesley Shows by Press and Public

The armistice week celebration to be staged here next week by Post No. 127, American Legion, promises to be one of the biggest things in the way of a celebration that has been seen in Glendale in some time, and in order that there may be no dull moments in the week of festivities the committee in charge of the amusements believes it has made a ten strike in booking for its Midway the Greater Sheesley Shows. They come here after a tour of the Western Canadian fairs, also the state fairs of Montana, Wyoming and Utah, bringing with them the good will of the press and the endorsement of the secretaries of the many fairs played as the following excerpts will show:

"Presenting only the most meritorious of attractions."—Estevan Progress.

"Red Deer has nothing but praise for the assemblage of amusements of the Sheesley shows."—Red Deer Advocate.

"It is the best and biggest midway we have ever had at our fair."—Morace Ensign, secretary, Helena State Fair.

"The crowds that throng the Sheesley midway attest to the high calibre of this attraction."—Salt Lake Tribune.

## H. E. Rommel Says Work on \$50,000 School Completed

H. E. Rommel of the Rommel Construction company, 131 South Brand boulevard, announces that the \$50,000 Huntington Park Grammar school is now completely finished, and that work will be rushed along on other contracts which include the Eagle Rock schools, the Polish library in Los Angeles, the Walter building at the northwest corner of Maple street and South Brand boulevard, and the Philip W. Parker store building and apartments on North Brand boulevard, between California and Wilson avenues.

The foundation is laid for the Central school in Eagle Rock, says Mr. Rommel, and excavations are under way for the work at both the East End and West End schools of that place. Work on the Polish library, reports Mr. Rommel, is progressing well and the second floor joists are now being put in place.

What is termed a "purely social  
affair" will be given under the aus-  
pices of the Y. L. I. Friday evening  
at the I. O. O. F. hall in the Central  
building, beginning at 8:30 o'clock.  
Dancing will be the principal diver-  
tissement of the evening with Herb  
Henning's orchestra furnishing the  
music. This is the opening event of  
the Y. L. I. season and it is expected  
that an extraordinarily large number  
of young people will attend. The  
committee in charge of the affair is  
composed of the Misses Virginia  
Chaplin, Margaret Finn, Helen  
Godar and Virginia Berry.

The ladies of the First Christian  
church will be in charge of tonight's  
weekly singing at 8:30 o'clock and a  
social meeting of the Christian Circle  
club, the banquet hall of the First  
Baptist church on East Wilson ave-  
nue being the place of the gathering.  
The members of the advisory board  
of the organization will gather at the  
Baptist church at 4 o'clock, the pur-  
pose of their meeting being that of  
discussing a number of important  
business measures. The board is  
composed of the following ladies:  
Miss E. Maude Soper, chairman;  
Mrs. Howard Brown, secretary; Mrs.  
S. H. Wilcox, treasurer; Mrs. Harry  
Marple, chairman of social commit-  
tee; Mrs. Margaret I. Biggs, chair-  
man of kitchen committee; and Mrs.  
John Camphouse, Mrs. R. Teasdale  
and Miss Julia Goodsell.

been decorated with corn stalks and  
pumpkins. Later the children ad-  
joined to the house, which had been  
decorated in true Halloween fashion  
with black cats, witches, etc., where  
refreshments were served. The color  
scheme of orange and black was also  
carried out in the nut baskets and  
pumpkin place cards.

merly Miss Helen Marquart of Lan-  
caster, New York, and was a school  
chum of Miss Corinne Orff when the  
latter resided in that city.

Mrs. Nettie Williams was the guest  
of honor at a theatre party in Los  
Angeles recently given by Mr. and  
Mrs. D. H. Smith as a token of ap-  
preciation of the services of Mrs.  
Williams, who recently resigned her  
position as assistant to Mr. Smith,  
manager of the Brand boulevard  
branch of the Los Angeles Trust and  
Savings bank.

Mr. and Mrs. Pierre Jackson, who  
recently arrived in southern Califor-  
nia from New Orleans, are now resi-  
dents of Glendale, having taken a

street. Mr. Jackson today renewed  
his acquaintanceship with A. T.  
Cowan, publisher of The Glendale  
Evening News, both having come  
from northern Illinois.

Mr. and Mrs. D. Ripley Jackson of  
1800 South Brand boulevard enter-  
tained with a Halloween party at  
their home last night for their  
daughter, Grace Anna Jackson. The  
guests included William Shaeffer,  
James Brown, Paul Eddenger, Ethel  
West, Adella Larson, Marlan Stadler  
and Nicholas Jamgochian. Hal-  
loween games were enjoyed. During  
the evening little Marlan Stadler gave  
a very dainty toe dance. Decorations  
of pumpkins, jack-o-lanterns and  
other Halloween novelties were used.  
At the close of the evening a Hal-  
loween supper was served.

Buster Webb, son of Mr. and Mrs.  
Don Webb of 604 North Kenwood  
street, was the host to a group of  
twelve little friends at a birthday  
party given yesterday afternoon from  
3 until 5 o'clock in celebration of his  
fourth birthday anniversary. De-  
corations of orange and black and Hal-  
loween novelties were used through-  
out the house. This same color  
scheme was carried out in table de-  
corations and refreshments, which in-  
cluded two large birthday cakes, one  
of which was presented him by his  
aunt, Miss Francis Billington, film  
star. Halloween games and dancing  
provided diversion for the little folks.

Miss Winifred Parker, Miss Lucille  
Allen and Miss Marion Grey were  
hostesses to a group of forty friends  
at a Halloween and dancing party at  
the home of Miss Parker and Miss  
Allen last night. The guests first  
assembled at the Parker home, 212  
North Orange street, at 7:30, and en-  
joyed dancing until 10:30 o'clock.  
Decorations of pumpkins and Hal-  
loween motifs were used throughout the  
house. They then adjourned to the  
home of Miss Allen, 364 Hawthorne  
street, which had also been decorated  
appropriately for Halloween, and  
where refreshments were served and  
games played. They later again ad-  
joined to the Parker home and danced  
until midnight.

Mrs. George H. Moore of 221 West  
Elk avenue was hostess last night at  
a Halloween party given for the  
members of the J. O. C. class of the  
West Glendale Methodist church and  
their friends, numbering about forty.  
The guests, who were dressed as  
ghosts, found a notice on the front  
door of the Moore home directing  
them to the rear door, where they  
were met by a ghost. When they en-  
tered the house they were compelled  
by another ghost to take a vow. Dur-  
ing the evening the guests all went  
for a ghost walk, and when they re-  
turned they played Halloween games  
and unmasked. Refreshments of  
pumpkin pie, doughnuts, apples and  
punch were served.

Miss Frances Jackson and mother,  
Mrs. Maud G. Jackson of 346 West  
Wilson avenue, and E. L. Cosgrove

who has been their guest for the past  
two weeks, motored to Owensmouth  
and return last Friday afternoon.  
They encountered a terrific wind-  
storm during the trip that at times  
made driving quite difficult. Satur-  
day the three, accompanied by Miss  
Myrtle Sellard of Los Angeles, mo-  
tored to Mrs. Cosgrove's home at Col-  
ton, where he remained, the women  
returning to Glendale Sunday eve-  
ning. On this trip they had the un-  
pleasant experience of another hard  
wind, and arrived at home quite tired  
from the two days' motoring.

Mrs. Arthur W. Glade of 219 West  
Lomita avenue, entertained Monday  
night from 6 to 9:30 o'clock for her  
little daughter, Betty Glade. The  
rooms were decorated with the Hal-  
loween colors. The table where  
6 o'clock dinner was served, was gay  
with festive orange and black. The  
entertainment, a witch riding a pump-  
kin, was the cause of much merril-  
ment. The children came in masquer-  
ade costumes and were entertained  
with games and story telling. The  
little guests who participated in this  
jolly good time were Helen White,  
Rebecca Brant, Juanita Pfiffel, Eve-  
lyn Meeker, Jeannette Yarbrough, Ma-

ported around town.

appeared before Police Judge F. H.  
Lowe this morning to answer  
charge of battery preferred by the  
parents of Lewis Doty. It is said that  
he also struck John Elliott when the

hold while Mrs. Stewart was en-  
deavoring to "hushaby baby."

Mrs. William H. Davies of 3722  
Seneca avenue was hostess to a num-  
ber of friends last night at a Hal-  
loween party. By way of a novelty  
Beruchamp Vaughan, who until re-  
cently was the owner of the Wil-  
lard Service Station at Colton, and  
who has traveled extensively, gave a  
demonstration of Indian mysticism,  
of which he made a study while in  
that country. Decorations of pump-

### Oil Strike Near Settlement

That the strike in the San Joaquin  
valley oil fields, which has involved  
more than 6000 men and paralyzed  
production from a number of dis-  
tricts, will be called off within a  
few hours, was the prediction made  
in a dispatch to Los Angeles from  
Bakersfield.

Secretary of Labor Davis tele-  
graphed the strike leaders a direct  
request that the strike be called off  
without prejudice, it was learned  
from an authoritative source.

Immediately a conference of the  
150 leaders representing the various  
local unions of the oil fields work-  
ers called. It met in Bakersfield.  
The men in conference comprise the  
general committee representing the  
strikers and is said to have full  
power to act. It was believed that  
the general committee would act in  
accordance with the wishes of Sec-  
retary Davis.

## FIRST PROGRAM BY LOCAL ATHLETIC CLUB SUCCESS

Boxing and Wrestling Bouts  
Are Enjoyed by Number of  
Fans Last Night

A large number gathered to enjoy the first official program given by the Glendale Athletic club at 111 East Broadway last night and many signed up as members of the organization.

The program arranged by Rex Randall was the main feature of the evening, though the hot dogs, coffee and other things came in for many encores before the meeting ended. Walter Dodge and Johnny Myers mixed for three two-minute rounds of exhibition boxing and gave the spectators a thrill, each boxer handling his 145 pounds in an effective manner. Then followed Jimmy Carney and Kid Essex at 130 pounds, for three rounds of exhibition work with the gloves which included some plain and fancy wins. Both are snappy boxers and their number of the program received much applause.

And then came the big event, Walter Dodge having recuperated from his three rounds of boxing went to the mat with William A. Pfeiffer for a twenty-five minute wrestling bout. After eighteen minutes of snappy wrestling Dodge succeeded in getting Pfeiffer pinned down.

### Purpose of Club

After a few remarks of welcome by L. E. Thompson, chairman of the organization, Rex Randall was introduced to outline the purpose of the club, and spoke as follows:

"The purpose of the Glendale Athletic club is to foster clean athletics and to provide a social center where the young men who care to become members may gather."

"The organization is now in its infancy, but we have great expectations for its future and are planning, should we meet with the proper response, to have a gymnasium, plunge, and club rooms of our own. A committee will be appointed at the next regular meeting to confer with the Chamber of Commerce in regard to getting the sanction of that organization, and we believe that with the proper support Glendale will have an athletic club that will compare favorably with the athletic club of Los Angeles."

### Some Recent Members

A social hour followed the athletic program during which refreshments were enjoyed and several piano numbers were given by members present. The next regular meeting will be held at 111 East Broadway Monday evening, November 7, at which time Mr. Thompson announced the charter would be closed.

The following members joined the organization last night: L. Collins, Carl B. Hooker, L. L. Gaburg, Urban Scottfield, W. E. Darby, S. C. Kitch, Joseph Acosta, F. B. Nevins, C. E. Murphy, Jerry Kozak, Gordon D. Pippitt, W. J. Shively, William L. Bauer, K. S. Small, Benjamin Acosta, R. E. Evans, Roy N. Selover and M. H. Finn.

## Sweet Spot Is Found by Bees; J. M. Lange Is Spanking Them

The Lange Pharmacy, 129 South Central avenue, is not bothered with flies.

No, indeed—it's bees, instead! J. M. Lange has been spending a portion of his time "spanking" them with a fly swatter.

The other day Harold Thomas, licensed engineer of the soda fountain, took some paper cups to the trash can. The aforesaid bees had been waiting for him. When he returned home to 339 Milford street he was sadder and wiser. It is understood that anyone who wants the bees can have them.

## Junior Auxiliary of Music Club to Meet on Saturday Night

The members of the Junior auxiliary of the Glendale Music club, of which Miss Veda Knapp is president, will meet Saturday night, November 5, at the home of Mrs. Charles A. Parker, 212 North Orange street. An interesting program is being arranged. Members of the Junior auxiliary will be admitted to the concert, which is to be given Friday night by the Glendale Music club, by showing their membership cards, which can be secured from Lawrence Knapp, treasurer.

## STORE ALREADY RENTED

The masonry for the new store building being erected by G. H. McLean at 1531 South Central avenue is now about two-thirds finished. It is understood that one of the two stores has been rented already.

### A CUSTOMER CAME

Into our store Saturday, and made the remark that we didn't look like we were just business centers, more that we were entertaining our friends. This pleased us very much. It is the feeling that we are anxious for our customers to have. We want to serve you each and everyone and make you not only feel at home, but that it is a pleasure to deal with us.

Our motto "IT PLEASES US TO PLEASE YOU" is true in every sense and you are losing time if you don't come in and get a sample of the courteous greeting we are so willing to give.

When you need anything in the drug store, give the Broadway Pharmacy at E. Broadway and Kenwood Sts. a call. We will serve you promptly and well.—Advertisement.

## Exclusive Place of Rest for Local Folk Plan of J. D. Reavis

John D. Reavis of the Glendale Realty Exchange, 102 South Brand boulevard, is preparing a plan which he says he will soon submit to the Chamber of Commerce for the development of the Eden Hot Springs, six miles south of Beaumont. Mr. Reavis, who has an option on the springs, says that the plan will be submitted with the idea of making it a resort strictly for Glendale should the occasion ever arise when any one of Glendale needs a rest.

In speaking of the possibilities of the place Mr. Reavis said: "The Eden Hot Springs are but two and a half hours' ride from Glendale and should the plan be acted upon favorably by the Chamber of Commerce, the place will be made a rest resort for those of Glendale."

"The place has an elevation of 2,600 feet, an area of 745 acres, and the springs are forty in number with a temperature of 110 degrees. The place was first established by early Spanish settlers of San Jacinto. Mt. Eden with an elevation of 4,000 feet lies directly west and is the scene of archaeological excavations by Prof. Frick, who in fifteen years has removed the fossils of the saber-toothed tiger, mammoths and prehistoric dogs and swine, which are now on exhibit in the Long Beach museum."

"The springs possess wonderful healing power and are already improved with thirty cottages and a bath house. The intention is to build a hotel in modified Roman mission style with a walk a quarter mile in length, leading to a central point, the erection of a swimming pool for the younger patrons, and twenty-five or thirty cottages to accommodate the guests. A beautiful botanical garden will be planted to carry out the idea of Eden and in the midst of this garden will be a crab tree which is spoken of in the Bible in connection with the prodigal who fed on husks."

"The proposition will be for Glendale people solely and should it be developed will be used as a rest haven for our citizens."

## Mrs. M. L. Tight Says Business Excellent; \$75,000 in Escrow

Glendale surely is "on the move." Mrs. M. L. Tight of 612 East Broadway says she has placed in escrow in the past ten days property amounting to more than \$75,000, as follows:

Property comprising 6.2 acres on North Pacific for C. L. Kiouss of Los Angeles to J. Maxcey Pace of Laredo, Texas.

Two and a half acres, 1538 East Broadway, for Tony Frazier to Mrs. R. H. McDermoth of Lankershim.

New bungalow at 118 North Everett street for Henry Johnson to Mr. and Mrs. Maxwell of La Crescenta.

Two lots on East Broadway for Mrs. Carr to Mrs. L. Edwards and Maude Goodrich of Los Angeles.

Two acres and seven-room house at 1111 East California for Miss Emma Bumiller to Mrs. Anna Durrent of Washington.

Two-story brick business block, 612 East Broadway, for the L. H. Hurt estate, to P. J. Hayselden of Los Angeles.

Six-room residence, 505 North Jackson, for T. M. Furst to G. A. Gallagher of San Diego.

## J. Maxcey Pace Is Investing Further in Local Property

J. Maxcey Pace of Laredo, Texas, has added another property to his holdings in Glendale, having purchased six acres on North Pacific avenue for subdivision. Mr. Pace and family were attracted to Glendale on account of the school conditions. They have purchased a \$15,000 home on Patterson avenue, business lots on Brand boulevard and East Broadway. Mr. Pace has returned to Laredo to arrange his business affairs to that he can make his home in Glendale and assist in building up "this most beautiful valley," to use his own expression.

## SEES PROFITS FROM OIL

F. M. Edwards, proprietor of the Glendale Grill, 1415 South San Fernando Road, received word yesterday from the Standard Oil company that a derrick had been placed on an adjoining lot instead of one owned by him on the Bolsa-Chica dome. This means that Mr. Edwards will not share in the profits from more than one lot. He says that it is mighty hard to get any reliable information from the Standard Oil company's real estate agents.

## Pennsylvania Folk to Hold Picnic at Echo Park Saturday

All arrangements have been completed for the Pennsylvania all-day picnic to be held at Echo park, Saturday, November 5. Invitations have been sent to all who have registered in the Pennsylvania directory at Dr. F. M. Collier's office, 125 1/2 North Brand boulevard. Doubtless there are many who have not registered and whose names the committee has not been able to obtain. This includes all former Pennsylvanians now living in Glendale, Burbank and Eagle Rock. This announcement is a cordial invitation to them.

All are requested to bring plates, cups, knives, forks and spoons with their lunches—sandwiches and one other article. Coffee will be provided on the grounds. Boys are requested to bring their baseballs and the girls their dolls. A committee of games will arrange for amusements on the grounds. Lunch will be served at 1:30 p. m.

## Charles B. Guthrie Offers \$5 Reward for Information

Charles B. Guthrie, realtor, with general offices at 103 1/2 South Brand boulevard, offers a reward of \$5 for information leading to the apprehension of the person or persons responsible for upsetting his real estate office on Kenneth road. The small frame building was ruined by the Halloween miscreants and Mr. Guthrie intends to prosecute to the full extent of the law.

Horace Anderson, one of The Glendale Evening News carrier boys, offers a reward to the person recovering his brown and white Ranger bicycle which was stolen from the rear of this office Saturday afternoon. There are very few, if any other Ranger wheels here, so report anyone who has one and Horace will investigate.

## WILL WINTER EVER COME?

"I suspect that there isn't going to be any winter at all if this weather keeps on," remarked L. W. Baker, 1413 South San Fernando Road, yesterday afternoon. "It is surely fine."

Mr. Baker came from Louisiana—twenty years ago. He would like to visit New Orleans once more, but Glendale is plenty good enough for him to live in permanently.

## RALPH DUNCAN IN CHANGE

The new soda fountain of George V. Black's pharmacy on the northeast corner of Los Feliz road and San Fernando roads is now in service, and Ralph H. Duncan, its "engineer," is kept busy brewing refreshing drinks for the "ingrowing" thirst of Southern Glendale. Mr. Black intimated that a number of further improvements are in prospect.
